 4. Engage in academic debates and present their ideas in a structured and accurate manner.
 5. Research, critically evaluate and present well-structured arguments in written and oral work.
-

TEACHING METHODS

This module is organised into 2-hour weekly seminars. During each seminar, the tutor will deliver a short presentation and facilitate a discussion of critical issues within the said topic led by the students, either working in groups or individually. Some topics may be divided between two Seminars. Students will be expected to have independently researched the issues for discussion in each seminar and to come to seminars prepared to respond and participate in an open and active critical discussion.

ASSESSMENT METHODS

This module is assessed through an individual presentation and a written assignment.

LANGUAGE OF INSTRUCTION

English.
