

# LLM International Business Law

The School of Law of UCLan Cyprus is proud to offer the LLM International Business Law. Within industry, international business law is a fast-changing and increasingly complex area. The LLM International Business Law will enable students to specialise in a range of exciting subjects within the area of International Business Law, of use for their future professional career in law, business or in commercial fields, both nationally and internationally.

This postgraduate course provides students with analytical and reflective skills and expertise in International Business Law. It provides a learning experience which will enable students to develop their academic ability and enhance their performance in employment, as well as further strengthen their career opportunities. It provides the successful candidate with a recognised postgraduate qualification in International Business Law.

The LLM International Business Law is available to students from both a legal and non-legal background. Classes are taught during the late afternoon and evening. Emphasis is placed on private research and study, assisted by the University's remarkable law resources and databases. Therefore, class contact time is limited; reflective of a desire to offer a world-class course of interest to the talented, serious and dedicated student only, whilst providing the necessary flexibility for those juggling other professional and personal commitments.
