

School of Law, UCLan, Cyprus Continuing Professional Development and Consultancy Services

The School of Law at UCLan, Cyprus, offers a variety of CPD courses and consultancy services to employers in the public and private sectors. A course or service can be tailor-made to suit the requirements of any public or private body. For example, a course may be pitched at the leadership or management or staff of an employer, or at an advanced, intermediate or introductory level. A consultancy service may be designed to help an employer to fulfil its legal duties under the law of the land or under any professional code of conduct.
