Situated on the southern coast of Cyprus, Larnaka is well-known for its beautiful clean beaches, great food, and vibrant nightlife. It is the perfect location for a University and its student community.

With only a 4.5 to 5h flight from UK airports, Larnaka Airport is the main airport in Cyprus. It only takes 15 minutes to drive from the airport to the campus of UCLan Cyprus. There is a frequent bus route from downtown to the campus and vice versa.

Ayia Napa is very well-known thanks to its sandy beaches and light blue waters and its lively nightlife during the summer season. Ayia Napa also hosts several restaurants, featuring both local and international cuisine.

THINGS TO DO
Outdoor activities are very common in Larnaka due to the fantastic Mediterranean climate. Water sports, swimming, snorkelling, fishing, walking, cycling and many other activities are available to students. Interestingly, the crystal clear bays are unusually rich in underwater wreckages for you to explore. There are many qualified and licensed diving instructors and businesses along the beach areas. Inland, there are many historic churches, archaeological sites, museums, galleries, gardens and other tourist attractions. The most notable are probably the Larnaka Fort, built in 1625 on the seafront and St Lazarus Church built in the 9th century. Natural sites for wildlife and beauty include the Salt Lake on the outskirts of Larnaka, a haven for migratory birds, including flamingos and other waders.

Horse riding, nature walks, camel rides and organised excursions are also available. Alternatively, our more adventurous students can enjoy a day trip inside or outside Larnaka by hiring bikes or quad bikes.

Living and studying in Larnaka enables students to thrive with a first-class education in an idyllic setting. What’s not to love?
