Project Objectives, Description and Impact (300 words max)

The **main objective** of the “GReFORM” is to increase the capabilities and knowledge of volunteer Board members in sport organisations by providing online and research-informed education on good governance in sport. The **specific objectives** of the project are to:

- Support, promote and implement important political actions derived from European Sport Policies supporting Good Governance in sport and Volunteering such as the White Paper on Sport, the Communication on Sport and the Work Plans on Sport;
- Build-on the related outcomes and utilization of knowledge gained from the preparatory actions in the field of sport granted by the European Commission on Promoting Volunteering in Sport (2009) and Good Governance in Sport (2011 and 2013) as well as from the Erasmus + projects in the field of sport from 2014 – 2016;
- Collect good practices and to increase the evidence-base on the educational needs of Volunteer on good governance of sport organisations across Europe;

Externally Funded Project Form

- Build capacity in sport organisations through learning opportunities by leveraging the tools offered from online education;
 - Raise awareness and spread the benefits offered through online education on Good Governance to a broad target group in sport; and
 - Build a European Network of inter-sectorial stakeholders at different levels aiming to promote and enhance good governance in sport through online education.
-

Co-funded by the
Erasmus+ Programme
of the European Union
