

ENTERPRISING IN

NEW & VENTURE

INNOVATION

ALUMNI COMPETITION

(E.N.V.I.A.)

The Alumni of UCLan Cyprus and the Centre for Entrepreneurial Development-Alliance-Research (CEDAR) invite enterprising graduates that have pursued new start-up ventures or have played a key role in the smart transformation of established ventures including, their owner-managed family firms, to participate in the 2021 Enterprising in New and Venture Innovation Alumni Competition.

The aim of the E.N.V.I.A. competition is to celebrate alumni entrepreneurialism and show-case business success stories across stages of the business life cycle.

THE AWARDS:

There will be two categories of awards, as follows:

- The new start-up venture award to honour new venture creation;
- The innovation award, where a traditional owner-managed [family] business has been the subject of a new growth and/or smart turnaround strategies;

Each award will involve 1,000 Euros and complimentary participation of nominations for awards in the workshops offered by the MBA Entrepreneurship Camp 2022.

KEY DATES:

- Deadline for submissions **15th September 2021**;
- Shortlisting for nominations of Awards- by Jury of experts: End of September, 2021;
- Presentations by nominated ventures in front of the Jury and Awards ceremony: Early October, 2021;

HOW TO PARTICIPATE:

Nominate a venture (including self-nomination) by completing the dedicated application form, offering the profile of alumni protagonists in the venture, the journey of the venture, innovation activities, related web links, awards/accolades etc.

Entry Terms and Conditions:

- The venture will have the UCLan Cyprus Alumni member as an active founder/owner/manager/director;
- The venture is registered locally or internationally with Authorities - Local or overseas Authority/Registrar of Companies as an established start-up/going business.
- Only one entry /participation per alumni can be accepted;
- Alumni participants grant the organisers the right to feature them and their ventures in media communication.
