**Consent Form**

*I have had the opportunity to ask any questions related to this event, and received satisfactory answers to my questions, and any additional details I wanted. Thus, I hereby give my consent as follows:*

	Issue	Respondent's Initials
1	I give consent for course materials to be sent to me electronically by email and/or through a specially created shared folder (Microsoft Teams).	
2	I give permission for my participation at the proceedings of the online guest lecture to be recorded using video and/or audio recording equipment and made available for viewing. I understand I will keep my camera and micro mute at all times and may use the chat for questions.	
3	I understand that excerpts from the online guest lecture may be included in publications and outputs.	
4	I give consent for my details to be disclosed to the Cyprus Bar Association and/or other regulatory body for CPD purposes, should the need arise.

As per the announcement of the Cyprus Bar Association of the 14th January 2021 regarding Continuous Professional Development, lawyers cannot submit their CPD points themselves on the platform by uploading certificates. From now on, the CPD provider (in our case, the School of Law) should submit an attendance list on the platform, and the CPD unit of the Cyprus Bar Association will then calculate the CPD points for each participant.

In doing so, we need your licence number at the Cyprus Bar Association.

Licence number:

*If you are not a practising lawyer and you do not participate for the CPD points under the CBA scheme, certificates of attendance will be provided.*

With full knowledge of all foregoing, I agree to participate in this webinar.
