Join us as a Volunteer at Cyprus' largest entrepreneurship festival !

Would you like to be part of one of the most anticipated events in Cyprus, meet amazing people, learn, work hard, and play hard? Lend us a hand at Reflect as a volunteer - you'll help us prepare an unforgettable event that shapes Cyprus and contributes to building its bright future.

All you'll need is fluent English, curiosity, energy, stress resilience, proactivity, and the ability to think quickly. Although event experience is preferred, it is not required.

What is Reflect Festival?

Reflect is the biggest tech & entrepreneurial festival in Cyprus. Find out more at reflectfest.com

What's in it for you?

Look behind the curtains of Reflect Festival ! As a volunteer, you will gain experience in event management, networking, and teamwork while being an integral part of Cyprus' largest technology festival. Besides the work, it's also a valuable opportunity to learn from the speakers, create connections during networking sessions and have loads of fun on our side events and parties. All in all, these would be some of the most action-packed, worthwhile days of your year!
