WELCOME TO UCLAN CYPRUS

WELCOME MESSAGE
by the Rector, Prof. Irene Polycarpou

A warm welcome to UCLan Cyprus,
the innovative British University of Cyprus.

Since its establishment in 2012, UCLan Cyprus has positioned itself firmly at the forefront of higher education and research in Cyprus and abroad. UCLan Cyprus is committed to academic excellence and in offering higher educational services to cater the growing and continuously evolving needs of the society. Our aim is to prepare students to become future leaders, competent and ethical professionals, possessing the ability to work in a global environment.

The University's vision is to be recognised as a world-class, research-led University, competing successfully and sustainably within a national and international market. To achieve its vision, the University's strategic development areas are based on three main pillars, which they are all gracefully combined.

These pillars are:
- *Education: focusing on high quality lifelong education through the offering of innovative programmes and curriculum as well as outstanding student experience and development.*
- *Research: focusing on interdisciplinary research projects with wide impact, high quality publications and development of a strong research community.*
- *Service and Outreach: focusing on the University's engagement with the wider community and transfer of knowledge.*

Through a unique and innovative curriculum that reflects current and future industry practices and needs, we offer a wide range of Undergraduate and Postgraduate academic programmes in a diverse set of disciplines. Across all our programmes, we follow a methodological approach to curriculum development influenced by specific discipline standards and teaching and learning methodologies. Of course, even if we develop the most innovative curriculum, it cannot be successful unless it is combined with an effective curriculum delivery. Thus, for all our programmes, we ensure that curriculum delivery combines research-informed and industry-informed teaching, which prepares graduates for diverse careers in the international market. Beyond the facilitation of the development of students' course specific knowledge and skills, all our programmes aim at developing students' 21st century and transferable skills, including collaboration, creativity, critical thinking, communication, technology literacy, leadership, independent thinking, self-motivation, professionalism and ethics. Nowadays such skills are considered necessary to succeed in a competitive and diverse global work environment.

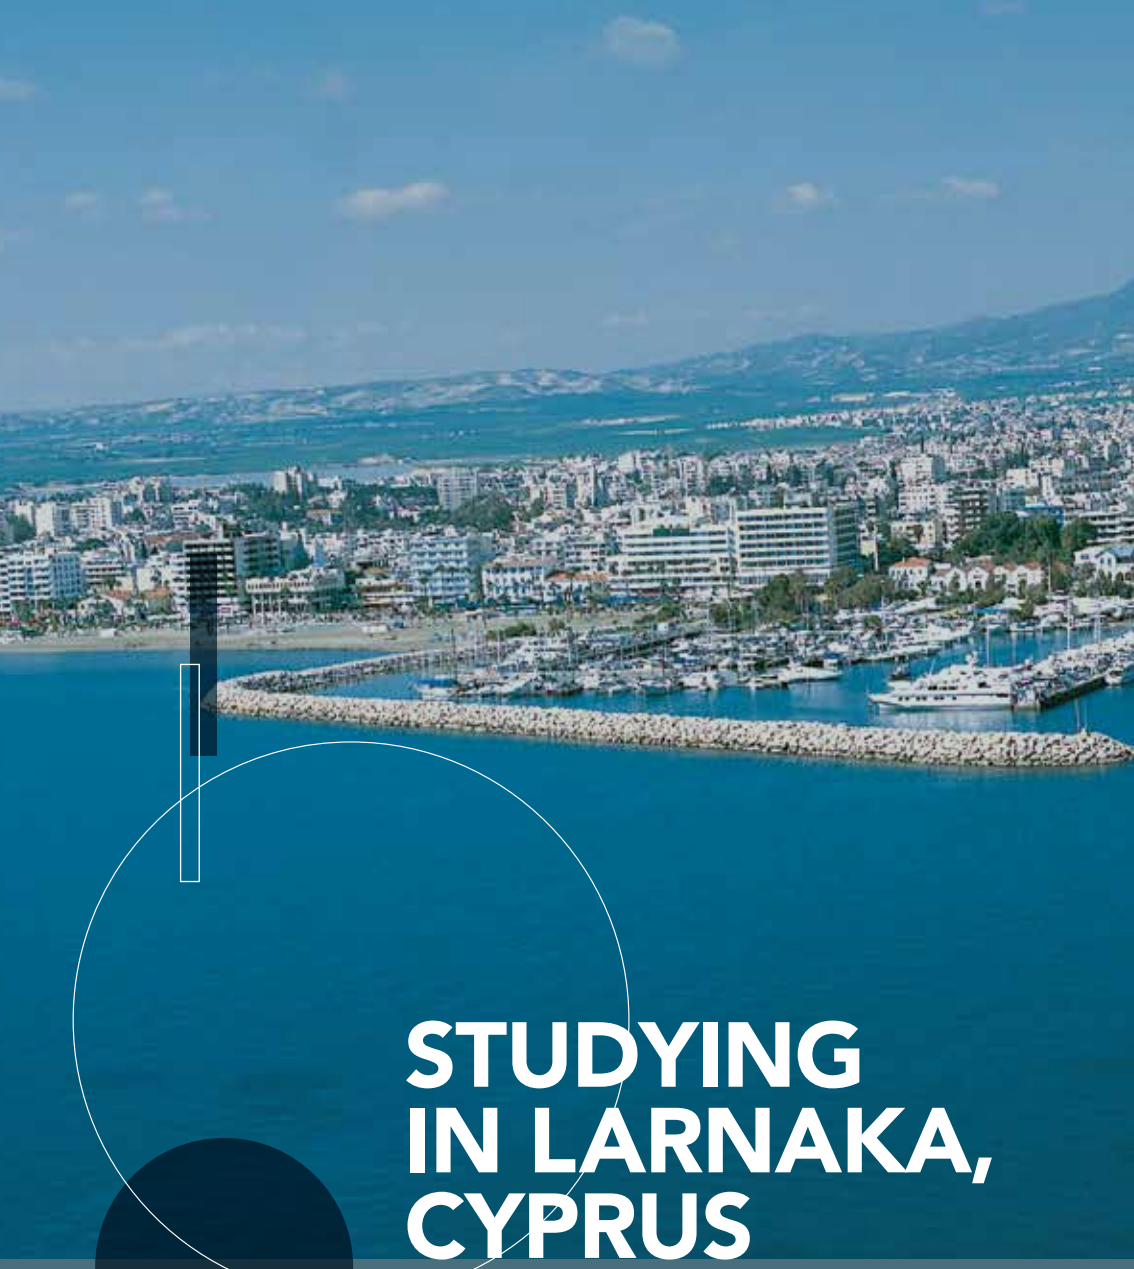

Our curriculum is delivered by an outstanding group of scholars who are experts in their field and are internationally recognised for their knowledge, research output and contributions to the scientific community. Many hold esteemed appointments on governmental and European Union advisory committees and professional bodies, evidence of the high recognition of their work by their peers. Aside from their scientific contributions, academics transfer their knowledge to the community through the organisation of specialised seminars and trainings open to the public, especially for pressing matters that may be of concern to the community.

Of equal importance is the University's commitment to provide an exceptional student experience through engagement activities within and beyond the curriculum and through the utilisation of state-of-the-art facilities, educational technologies and effective educational pedagogies. To ensure this, the University has developed strong partnerships with industry, community and other organisations, which contribute to the development and delivery of course curriculum as well as student engagement activities within their discipline.

Our vibrant and diverse community of students, faculty and partners can provide a nurturing environment for all of us to learn, grow and achieve our aspirations.

Professor Irene Polycarpou
BSc, MSc, PhD
Rector

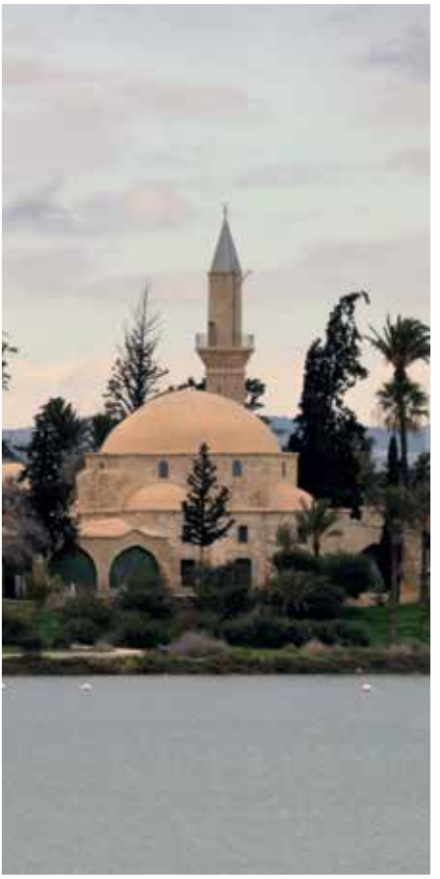

STUDYING IN LARNAKA, CYPRUS

LIVING AND STUDYING IN LARNAKA ALLOWS STUDENTS TO FLOURISH IN IDYLLIC SURROUNDINGS WHILST RECEIVING A FIRST-CLASS EDUCATION.

WHAT'S NOT TO LOVE!

Situated on the southern coast of Cyprus, Larnaka is well-known for its beautiful clean beaches, great food, and vibrant nightlife. It is the perfect location for a great student life and experience.

It's just 15 minutes drive from Larnaka's International Airport to the campus of UCLan Cyprus. A regular bus service is available from the city centre to the campus and vice versa.

Ayia Napa is east from Larnaka and is very famous for its sandy beaches and clear blue waters and of course, its vibrant nightlife in the summer season. Ayia Napa also hosts many restaurants, featuring both local and international cuisine.

THINGS TO DO

Outdoor activities are very common in Larnaka due to the fantastic Mediterranean climate. Water sports, swimming, snorkeling, fishing, walking, cycling and many other activities are available to students.

Interestingly, the crystal clear bays are unusually rich in underwater wreckages for you to explore. There are many qualified and licensed diving instructors and businesses along the beach areas. Inland, there are many historic churches, archaeological sites, museums, galleries, gardens and other tourist attractions. The most notable are probably the Larnaka Fort, built in 1625 on the seafront and St Lazarus Church built in the 9th century. Natural sites for wildlife and beauty include the Salt Lake on the outskirts of Larnaka, a haven for migratory birds, including flamingos and other waders.

Horse riding, nature walks, camel rides and organised excursions are also available. Alternatively, our more adventurous students can enjoy a day trip inside or outside Larnaka by hiring bikes or quad bikes.

Enjoy your meal, coffee or drink at Makenzy, Phinikoudes, Dhekelia or City Centre, all located within a relatively short distance from the University. Larnaka's Metropolis Mall offers a wide range of shops and restaurants where you can spend your free time or even your break between classes.

#UCLANIANS STUDENT LIFE

Over the past few years, **#UCLanians** have been unstoppable!

They embraced new adventures and reached the highest peak of Troodos Mountains and the highest point of Greece.

They even managed the impossible and hiked in Kutaisi Mountains, Georgia experiencing 3 different temperatures.

#UCLanians won the National Competitions of Judo and University Sambo Championship. They accepted Dorians Challenge, participated in the Larnaka International Marathon for three consecutive years and willingly contributed to cleaning Cyprus' beautiful beaches in just one day with Let's Do It Cyprus. Apart from lectures, tutorials and assessments, #UCLanians' academic calendar includes fun events, parties, clubs and society activities, charity or fundraising events and participation in eminent conferences, and guest lectures.

#UCLanians

UCLanians have the chance to participate in European and International events and conferences, gaining unique experiences that will guide them throughout their academic journey and personal life.

#UCLanians promise you a great student experience while you are studying at the only British University of the island.

To find out more, follow #UCLanians on Facebook, Instagram and TikTok.

Join our Student Clubs & Societies or start your own one today!

Think of hobbies and interests you have and sign-up at least 8-10 fellow students who share a similar interest. Contact the Student Support team who will assist you in setting up your club/society and help you share the news!

EXAMPLES OF CLUBS AND SOCIETIES:

> UCLan Cyprus Futsal Club
> African Society
> Art Club
> Basketball Club
> Chess Club
> Cyprus Culture Society
> Hiking Club
> Law Society
> Psychology Society
> TechBiz Society (Technical & Business Society)
> Volleyball Club

STUDENT SUPPORT DEPARTMENT

The Student Support office is the first point of contact for advice and support in all aspects of University life. Students can contact the team either face-to-face, by email or phone, or through the Department's social media groups (Facebook, Instagram). A friendly space where #UCLanians can find support, information and guidance on various matters concerning their academic progress, student experience and social life.

#UCLanians have access to a wide range of student services, such as:

> Access to professional counselling through the University's Psychological Wellbeing and Counselling Centre (PWCC)
> Advice and guidance on academic skills and the improvement of their English language and learning skills
> Support and guidance on disclosed personal matters (learning difficulties, disabilities, health and wellbeing issues)
> International students: guidance on student visa related matters
> Travelling information (bus routes, taxi service)
> Career Hub: Information on job opportunities and vacancies, guidance on career and professional growth, CV review and feedback services, participation in the University's annual Career Fair.

WORLD-CLASS FACILITIES

AT THE CUTTING EDGE OF TECHNOLOGY

UCLan Cyprus is set in a modern, purpose–built University campus with state-of-the-art academic and operational facilities.

It incorporates all of what Audio Visual (AV) has to offer in education, but also in the ever-growing professional communication world, such as distance learning facilities, high-end presentation solutions and innovative multi-use spaces.

Students learn in meticulously designed lecture theatres, specialised labs, a moot court room, lecture rooms equipped with smart podium screens and interactive boards, seminar rooms and accommodating teaching spaces. Individual and group study spaces allow students to work alone or collaborate on projects.

Our IT infrastructure provides more than 300 software applications, loan of laptops, and free Wi-Fi across the campus. UCLan Cyprus has also won the sought-after title of the 'Most InAVative Education Facility' at the prestigious Europe, Middle East and Africa (EMEA) InAVation Awards, and triumphed over 30 competitors, as well as shortlisted projects from four other University finalists based in England, the Republic of Ireland and Russia.

Audio-visual highlights include smart podium monitors in every classroom, which allow presenters to annotate or draw freehand onto a projected display without the need for a whiteboard and pens.

A video conferencing system allows live streaming, while the entrance foyer video wall is capable of displaying content up to four times full HD video.

Students have the opportunity to study in an environment that suits them, whether it is in the welcoming library or in social areas around the campus.

All online facilities can be accessed off campus and anywhere in the world through the internet.

LIBRARY
The Library provides a comfortable, flexible working environment, boasting a student portal leading to all online resources, access to 300.000 UK and Cyprus e-books and e-journals. It offers a wealth of excellent learning resources, extensive collections of information sources and expert support from our Library team.

In addition to these thousands of books, audio-visual materials and journals, the Library also provides self-service issue and return facilities, online library catalogues, a silent study room and training PC labs with a laptop loan scheme available to all students.

MOOT COURT
UCLan Cyprus is the first University in Cyprus to have its own Court Room. It has been designed to reproduce not only the look and effect of a real court room, but also court rooms of the future.

Fully IT and AV-equipped, with both counsel and judge able to portray their evidence, representations and remarks onto three large projector screens, the Moot Court Room is ideal to be used for practice, training, debating, interviewing, negotiation, advising and arguing.

SPORTS LAB
UCLan Cyprus Sports Lab incorporates the latest technological advancements in the sport and exercise fields. In addition to its teaching activities, the UCLan Cyprus Sports Lab provides a full range of tests, metrics and exams to athletes of all abilities and sports, from beginner to professional levels, including ergometric tests delivered by accredited Sport and Exercise Scientists.

COGNITION & DEVELOPMENT PSYCHOLOGY LAB
An innovative lab for all Psychology students following the strict guidelines of the British Psychology Society (BPS). The Cognition & Development Lab of UCLan Cyprus is second to none and includes a dedicated student area, offering a unique experience on real case studies and psychological experiments, a conference area, which accommodates guest lectures from professionals of the industry, and a child observation suite with a one-way mirror.

ENGINEERING LABS

Engineering Laboratories support the BEng (Hons) Electrical & Electronic Engineering programme. The Electronic Engineering lab is equipped with workbenches and all the necessary state-of-the-art equipment (oscilloscopes, signal generators, probes, analysers, etc.), computers and machinery for students to practice in Electronic Circuits, Digital Electronics, Telecommunications, Microprocessors, Sensors, Programmable Logic, Robotics etc. The laboratory offers a unique hands-on experience for the students which involves all the steps of building electronic systems such as the design, the simulation, the prototyping and the testing.

The Electrical Engineering Lab is intended to emulate a real domestic and/or industrial setting in which students can perform an electrical installation and have a unique hands-on experience in wiring, circuit boards, AC and DC motors, generators, renewable energy sources etc. The lab is also equipped with Electromechanical Training Systems for practical work on Power Systems on topics such as Power Generation, Power Transmission and Power Consumption.

MEDIA STUDIO

Our UHD/4K ready, broadcast standard Media Studio, provides our students with multiple opportunities to be creative, producing a body of work that showcases the breadth of their diverse craft skills.

It provides access to state-of-the-art TV and Media Production technologies and equipment required for the production of high-quality Broadcast, TV, Radio and Digital Media audiovisual content. It is a highly flexible environment where all audio and video feeds can be configured via hardware and software routing.

The live recording room features autocue equipped UHD/4K studio cameras on broadcast specification pedestals. The control room contains a full complement of digital vision equipment including video manipulation, tapeless recording, graphics software and a multi-channel digital audio mixer.

MAC LAB

The Mac lab is an essential resource designed to foster creativity, technical skills, and professional development. The space is equipped with high-performance Mac desktops, optimized for graphic design, video editing, digital illustration, animation, fashion design and multimedia production.

The Mac computers feature industry-standard software such as Adobe Creative Suite (Photoshop, Illustrator, Premiere Pro, After Effects), Final Cut Pro, Logic Pro, and 3D design tools like Blender, Cinema 4D and CLO | 3D. These powerful tools allow students to work on high-resolution projects with ease, ensuring that they can handle professional-grade tasks like video rendering, graphic design, garment design and audio production without any technical bottlenecks.

Using this lab is an opportunity for students to familiarise themselves with industry-standard software and hardware, preparing them for careers in creative industries such as digital media, media production, animation, graphic design, film, and audio production. The lab is designed to mimic professional working environments, making the transition from academia to the creative industry smoother.

SEWING STUDIO

The sewing studio is a specialised lab dedicated to housing essential equipment and supplies such as papers, fabrics, drawing supplies, sewing supplies, fabric cutters and more. The following equipment is available in the sewing studio:

- Flatbed industrial sewing machines
- Thread Overlock Machines
- Thread Interlock Machines
- Industrial Steam Iron
- Industrial Buttonhole Machine
- Consumables (such as patron, pins, scissors, needles, threats, fabrics, tailors chalk, measuring tapes, selection of zips / buttons, metre rules, masking tape, etc).

ATELIER

The Atelier has been designed as a spacious room dedicated to housing essential fashion design equipment and supplies such as papers, fabrics, drawing supplies, paper guillotines, fabric cutters, drawing boards, tracing/design light boxes/boards and more.

The interior design of the Atelier is intentionally distinct from a conventional classroom, exuding an atmosphere that ignites students' creativity. Designated areas in the room cater to different activities like drawing, sketching, fabric cutting and group brainstorming. Large solid tables at the correct height for pattern cutting are prominently placed in the room, allowing ample space for unrestricted artistic expression. Surrounding these desks are mannequins, comfortable stools, movable mirrors, ensuring an ideal fashion design work environment. Appropriate lighting has been thoughtfully integrated into the Atelier, creating an ambiance that enhances the creative process. The Atelier's flexible layout facilitates easy movement of furniture and equipment, offering versatility for various fashion design projects.

DESIGN STUDIO

The Design Studio has been meticulously crafted to accommodate the design-related programmes. It has a spacious layout with an additional storage room dedicated to housing essential design equipment and supplies such as papers, fabrics, drawing supplies, sewing supplies, paper guillotines, fabric cutters, drawing boards, tracing/design light boxes/boards and more.

The interior design of the studio is intentionally distinct from a conventional classroom, exuding an atmosphere that ignites students' creativity. Designated areas in the room cater to different activities like drawing, sketching, hand sewing and group brainstorming. The design studio also emphasizes collaborative learning, offering open workspaces where students can brainstorm, share ideas, and work on group projects.

Natural and artificial lighting have been thoughtfully integrated into the studio, creating an ambiance that enhances the creative process. The studio's flexible layout facilitates easy movement of furniture and equipment, offering versatility for various design projects.

The design studio stands as a testament to a thoughtfully designed space that encourages the growth and artistic exploration of its occupants.

ACHIEVEMENTS & ACCREDITATIONS

RANKED IN THE TOP 6.5% IN THE WORLD!

RANKED IN THE TOP 6.5% IN THE WORLD!
University of Lancashire ranked in the top 6.5% of Universities in the world, by the Centre for World University Rankings (2020/21).

AMONG THE TOP UK UNIVERSITIES FOR HOSPITALITY, EVENT MANAGEMENT, AND TOURISM
According to The Guardian's latest rankings (2024), University of Lancashire ranks 9th among the top UK universities for hospitality, event management, and tourism.

AWARDED THE MOST InAVative EDUCATION FACILITY!
UCLan Cyprus' campus has won the sought-after title of the 'Most InAVative Education Facility at the prestigious Europe, Middle East and Africa (EMEA) InAVation Awards, and triumphed over 30 competitors as well as shortlisted projects from four other University finalists based in England, the Republic of Ireland and Russia.

BA (Hons) **ACCOUNTING AND FINANCE AND ACCA CERTIFICATE**
Our partnership with ACCA attractively positions UCLan Cyprus as the 1st University in Europe offering a BA (Hons) Accounting and Finance programme simultaneously accredited by ACCA, and offering an Accelerate status by exempting, upon registration to the programme, the first 9 fundamental courses, enabling the students to proceed to the rest of the 5 professional courses for the completion of the ACCA certification, giving you the opportunity to complete both the Bachelor's degree and the ACCA professional qualification, in just 4 years.

TIMES HIGHER EDUCATION WORLD UNIVERSITY RANKINGS 2025
Times Higher Education World University Rankings 2025 ranked University of Lancashire among the 801-1000 best universities in the world.

FILIPPOS IOANNOU SUCCESSFULLY PASSED ALL ACCA LEVELS WHILE STUDYING BA (Hons) **ACCOUNTING & FINANCE**
A great milestone for our BA (Hons) Accounting & Finance alumnus Filippos Ioannou, who successfully managed to pass 2 out of the 5 professional modules of the ACCA Certification while completing his Bachelor's degree at UCLan Cyprus, gaining significant advantage upon his graduation.

ACCREDITATION BY BRITISH PSYCHOLOGY SOCIETY (BPS)
The BSc (Hons) Psychology degree is accredited by the British Psychological Society (BPS). This accreditation marks the UCLan Cyprus as the only University in Cyprus offering an accredited Psychology programme by the BPS professional body. As a result, graduates are granted a unique competitive advantage by gaining the requirements for Graduate Basis for Chartered Membership of the Society (GBC), which is the first step to become a professional psychologist and be able to work even in the UK.

BSc (Hons) **COMPUTING ACCREDITATION BY BRITISH COMPUTING SOCIETY (BCS)**
Our BSc (Hons) Computing programme is accredited by the BCS. The BCS accreditation is a mark of assurance that the BSc Computing Undergraduate degree of UCLan Cyprus meets the standards set by the BCS and sets the graduates of UCLan Cyprus as highly skilled IT professionals. As a result, graduates who will be receiving a BSc (Hons) Computing degree, will automatically gain accreditation as Chartered Information Technology Professionals (CITPs).

RECOGNITION BY THE CYPRUS TECHNICAL AND SCIENTIFIC CHAMBER (ETEK).
The programmes of study BEng (Hons) Electrical and Electronic Engineering, BSc (Hons) Computing and BEng (Hons) Computer Engineering are recognised by the Cyprus Scientific and Technical Chamber (ETEK) and the graduates of these programmes are eligible to register to ETEK.

UCLAN CYPRUS AS A PROUD ACADEMIC SUPPORTER OF GOLD GYMNASTICS CHAMPION ELIAS GEORGIOU
UCLan Cyprus is a proud Academic supporter of Golden gymnastics Champion and BSc (Hons) Sport & Exercise Science student, Elias Georgiou. The athlete who made Cyprus proud as 16,000 spectators stood up and listened to Cyprus' national anthem at Birmingham Commonwealth Games.

BSc (Hons) **SPORTS & EXERCISE SCIENCE STUDENT, CHRYSTALLENI TRIKOMITI, AT THE BIRMINGHAM 2022 COMMONWEALTH GAMES**
BSc (Hons) Sports & Exercise Science student, Chrystalleni Trikomiti was once again in the Cyprus delegation of the Commonwealth Games, this time coaching Anna Sokolova in the sport of Gymnastics - Rhythmic helping her win two silver medals and one bronze medal. Chrystalleni participated in the 2010 Commonwealth Games in New Delhi, winning two gold medals, one silver and two bronze medals making her the only athlete who won 5 medals in such a big event.

LLB PROGRAMME RECOGNITION
The UCLan Cyprus LLB (Hons) Law degree can provide you with the basis to undertake the next stage of training as a barrister via the Bar Professional Training Course or in becoming a solicitor in England and Wales.The LLB (Hons) Law has also been recognised as a qualifying law degree by the Cyprus Legal Council. Exclusive in Cyprus, LLB graduates from UCLan Cyprus shall obtain the same qualifying law degree, with identical rights, privileges and entitlements, as any LLB graduate from an English or Welsh university,and they will have the opportunity to sit their professional law exams in London, for instance. It is important to know that an English qualifying law degree is accepted by (law) professional bodies in a number of different countries around the world, including Cyprus and other countries of the Commonwealth.

MSc DATA ANALYTICS WITH SAS JOINT CERTIFICATE
The MSc Data Analytics programme at UCLan Cyprus is the only programme in Cyprus which offers the SAS Joint Certificate. Specifically, MSc Data Analytics graduates have the option to receive the SAS Joint Certificate in Business Intelligence and Data Mining in addition to their MSc award.

LLM AND CISI UNIVERSITY PARTNER
Specific modules of the Master of Laws (LLM) programme offer pathways to professional recognition. Certain modules provide eligibility for certification by the Chartered Institute for Securities and Investments (CISI).

INTERNATIONAL COMMERCIAL MEDIATION PROFESSIONAL QUALIFICATION
The LLM module in International Commercial Mediation confers the professional qualification of mediator, recognised by the UK Civil Mediation Council, the International Mediation Institute (via the course provider), and the Ministry of Justice and Public Order of the Republic of Cyprus, subject to applicable requirements.

INTERNATIONAL COMMERCIAL ARBITRATION PROFESSIONAL RECOGNITION
The LLM module in International Commercial Arbitration is professionally recognised by the UK Chartered Institute of Arbitrators at Associate level, permitting successful participants to use the post-nominal letters ACIArb.

THE INSTITUTE OF PROFESSIONAL STUDIES IS OFFICIALLY A GOLD ACCA LEARNING PARTNER
The Institute of Professional Studies (IPS) at UCLan Cyprus is proud to announce that ACCA has awarded the Institute with the Gold Approved Learning Partner status. Succeeding the Silver status, Gold Membership recognises the quality of tuition, as well as the overall integrated learning process set up to support students in their learning journey.

UNESCO CHAIR AT UCLAN CYPRUS
The UNESCO Chair for Governance and Social Responsibility in Sport was established in 2022 at UCLan Cyprus. Launched in 1992, the UNITWIN/UNESCO Chairs Programme, which involves over 850 institutions in 117 countries, promotes international inter-university cooperation and networking to enhance institutional capacities through knowledge sharing and collaborative work.

ACCREDITATION OF BSc (Hons) **MATHEMATICS & STATISTICS BY THE INSTITUTE OF MATHEMATICS AND ITS APPLICATIONS (IMA)**
The BSc (Hons) Mathematics & Statistics is accredited by the Institute of Mathematics and its Applications (IMA), the UK's professional and learned society for qualified and practising mathematicians.
The programme will meet the educational requirements of the Chartered Mathematician designation, awarded by the IMA, when it is followed by subsequent training and experience in employment to obtain equivalent competences to those specified by the UK Quality Assurance Agency (QAA) for taught master's degrees.

MSc HUMAN RERSOURCE MANAGEMENT IS THE ONLY CIPD-ACCREDITED MASTER'S DEGREE IN CYPRUS
The MSc Human Resource Management, accredited by the Chartered Institute of Personnel and Development (CIPD), provides students with the essential expertise and professional recognition to advance in the HR field. Graduates automatically obtain Associate CIPD membership upon successful completion of the programme.

HOSPITALITY AND TOURISM PROGRAMMES ACCREDITED BY THE UK INSTITUTE OF HOSPITALITY
The programmes BA (Hons) Hospitality and Tourism Management and MA Hospitality, Tourism & Events Management at UCLan Cyprus, have been officially accredited by the Institute of Hospitality UK, the leading international professional body for current and aspiring managers in the hospitality, leisure, and tourism sectors.

  > optional modules in: Software Engineering, Network Technology, Computer Games Development
- BEng (Hons) Electrical & Electronic Engineering
  > optional modules in: Telecommunications & Mobile Technologies, Renewable & Sustainable Energy Systems
- BSc (Hons) Mathematics & Statistics
- BSc (Hons) Psychology
- BSc (Hons) Sport & Exercise Science

MASTER'S DEGREES
- MSc Computing
- MSc Cybersecurity
- MSc Cybersecurity ***Distance Learning***
- MSc Data Analytics
- MSc Data Analytics ***Distance Learning***
- MSc Forensic Psychology (professional placement also available)
- MSc Sport & Exercise Sciences

THE LANGUAGE ACADEMY

ENGLISH LANGUAGE FOUNDATION PROGRAMME (for non-EU students)

STEP-BY-STEP APPLICATION PROCESS

APPLYING FOR A BACHELOR'S DEGREE

STEP 1/
Complete the UCLan Cyprus **APPLICATION FORM.**
The form is available at **www.uclancyprus.ac.cy/apply-now/**

STEP 2/
Payment of €50 **APPLICATION FEE** (non-refundable).

STEP 3/
Provide the following **DOCUMENTS** (copies in native language & in English):
- High School leaving certificate & mark sheet*
- English language qualification*
- ID card or Passport copy

******Check the Entry Requirements*

STEP 4/
Receive your **OFFER LETTER** from Admissions Department. Once the Admissions Department of the University has received your documents & the application fee, an official admissions evaluation will occur and if successful, you will receive an Offer Letter stating the terms & conditions of your admission to the programme you applied.

STEP 5/
REGISTRATION FEE
Upon receiving your Offer Letter, you can proceed to your registration by completing the payment of the registration fee (deposit):

Local /EU Nationals:
€1200 (One Thousand and Two Hundred Euros) & €100 (One hundred Euros) Student Pass.

Non-EU Nationals:
- 1st part: €3000 (Three thousand Euros), payable before your Student Visa is issued.
- 2nd part: €2000 (Two thousand Euros) & €100 (One hundred Euros) Student Pass, payable once your Student Visa is issued.

APPLYING FOR A MASTER'S DEGREE

STEP 1/
Complete the UCLan Cyprus **APPLICATION FORM.**
The form is available at **www.uclancyprus.ac.cy/apply-now/**

STEP 2/
Payment of €50 **APPLICATION FEE** (non-refundable).

STEP 3/
Provide the following **DOCUMENTS** (copies in native language & in English):
- High School leaving certificate & mark sheet
- Bachelor's degree & transcripts*
- English language qualification*
- Personal statement
- Curriculum Vitae (CV)
- Two reference letters
- ID card or Passport copy

******Check the Entry Requirements*

STEP 4/
Receive your **OFFER LETTER** from Admissions Department. Once the Admissions Department of the University has received your documents & the application fee, an official admissions evaluation will occur and if successful, you will receive an Offer Letter stating the terms & conditions of your admission to the programme you applied.

STEP 5/
REGISTRATION FEE
Upon receiving your Offer Letter, you can proceed to your registration by completing the payment of the registration fee (deposit):

Local /EU Nationals:
€1200 (One Thousand and Two Hundred Euros) & €100 (One hundred Euros) Student Pass.

Non-EU Nationals:
- 1st part: €3000 (Three thousand Euros), payable before your Student Visa is issued.
- 2nd part: €2000 (Two thousand Euros) & €100 (One hundred Euros) Student Pass, payable once your Student Visa is issued.

The deposits will be deducted from your first year's tuition fees.
The student pass is non-refundable.

The International (non-EU) applicants who require visa to study in Cyprus will be guided by our Admissions Advisors on the steps to follow for their visa application.

METHODS OF PAYMENT
All payments should be made in Euros (€), to the University's bank account or via electronic payment:

BANK TRANSFER
Bank: HELLENIC BANK
Account name: UCLan Cyprus
Account number: 314-10-868795-01
IBAN: CY86 0050 0314 0003 1410 8687 9501
SWIFT/BIC: HEBACY2N

ELECTRONIC PAYMENT
JCC Smart
https://www.jccsmart.com/e-bill/22447015
Provide a name and at the student ID provide your telephone number.

When making a payment always provide your full name (student name), a copy of your passport and passport number, and a copy of the bank transaction slip to: accounting@uclancyprus.ac.cy and admissions@uclancyprus.ac.cy

For more information contact the Admissions Office at admissions@uclancyprus.ac.cy or at +357 24 694 000.

ENTRY REQUIREMENTS

The language of instruction and assessment for all programmes at UCLan Cyprus is English.

Applicants will be assessed on an individual basis, based on their country's academic qualifications and standards.

THE GENERAL MINIMUM ENTRY REQUIREMENTS ARE:

UNDERGRADUATE APPLICANTS (BACHELOR'S DEGREES)

> Apolytirion or High School Leaving Certificate or 96 A' Level points (new Tariff system) in relevant subjects.
> Certified Proof of English Language knowledge to a score of at least IELTS 5.5 or equivalent according to the Common European Framework of Reference for Languages (CEFR).

POSTGRADUATE APPLICANTS (MASTER'S DEGREES)

> Bachelor's degree (at least Lower Second Class).
> Certified Proof of English Language knowledge to a score of at least IELTS 6.5 or equivalent according to the Common European Framework of Reference for Languages (CEFR).

IMPORTANT NOTES

1 In case you still do not have your School leaving certificate (for Undergraduate applicants) or your Bachelor's degree (for Postgraduate applicants) you can provide the latest mark sheet you have and a conditional offer letter will be issued to secure your place.

2 In case you do not have an accredited English language qualification, we offer our recognised English language University Admissions test, called 'Password'.

3 Students whose native language is English or those who have completed their High School education in English or Bachelor's degree from a UK University, need to provide appropriate evidence, and the Admissions Department will advise them of their eligibility accordingly. This does not apply for International students.

4 International Students who will require a student visa must provide an official English language qualification such as IELTS, IGCSE/GCSE, Password, etc. If you are nationals of the following countries: UK, Ireland, USA, Canada (only if the language of teaching on High School or University is English), Australia or New Zealand, then you do not need to provide any English qualification.

TAKE OUR UNIVERSITY'S ENGLISH LANGUAGE ADMISSIONS TEST

Our University offers the Password test, which is an internationally recognised English Language University Admissions test, created by researchers involved in the development and validation of Language assessments such as IELTS and Cambridge suite.

The test can be taken online or at the UCLan Cyprus campus. In order to take the test, you need to inform our Admissions Office who will guide you how to prepare for it, and any steps you need to take in advance, such as the payment of the test fee.

Let's help you prepare for an English Language University Admissions Test

If you worry about your English level or the English Language Certificate and Test, then our English Preparation Courses are perfect for you. Our courses have a 98% success rate and will take you through all the necessary content to get you to the level required to secure your place of study at our University.

Please register your interest at: languageacademy@uclancyprus.ac.cy
or at +357 24 69 40 83.

Note: For scholarships applicable to other countries not listed above, please contact our Admissions Office at ***admissions@uclancyprus.ac.cy***

ATHLETIC SCHOLARSHIP SCHEMES

Athletic Scholarships are applicable to all kinds of athletes, depending on their recent achievements, type of sport, and whether they are currently active.

ALUMNI SCHOLARSHIPS

40% special scholarships on the original fees to UCLan Alumni and a 10% bursary on the advertised fee to their 1st degree relatives.

OTHER BURSARIES

LARGE FAMILIES BURSARIES

Only for Locals/CY: Members of P.O.P.O. (3 children) are allowed 15% bursary on the advertised fee and members of P.O.P. (4 children or more) are allowed 20% bursary on the advertised fee, for the first year of study. For the next years, a 10% bursary annually is allowed, to both P.O.P.O. and P.O.P. members.

SIBLINGS

10% bursary on the advertised fee for every year of study for all the siblings while studying simultaneously.

POSTGRADUATE SCHOLARSHIPS

30% scholarship on the original fees open to all postgraduate programmes, with a condition that the student passes successfully an interview with the Course Leader and/or Head of the School.

Important Note for Postgraduate Scholars
The postgraduate scholarship comes with a number of responsibilities and expectations; they should be exemplar scholars in both their behaviour and performance during class and modules on their postgraduate studies. In case of failure of passing any modules of their Postgraduate degree, the retake module fee will be calculated on the tuition fee that was applicable prior to the scholarship or discount earned.

** Only one Scholarship or Bursary will apply.*
*** Undergraduate scholarships apply only for Full Time students.*
**** **The University may review individual cases and make decisions based on its policies, regulations, and legal obligations, while ensuring fairness for the prospective student.***

INTERNATIONAL STUDENTS

APPLYING FOR A STUDENT VISA

All non-EU students require a student visa to study at a University in Cyprus. Students must submit the visa documents to the University. The University will then submit, on behalf of the student, the visa documents/application to the Migration Authorities. You must adhere by the deadlines set to you by the Admissions Advisor guiding you in order to ensure your visa is issued on time.

Once you have your conditional offer letter from the University's Admissions Department, you will need to gather the below documents and follow the steps indicated by your Admissions Advisor.

IMPORTANT NOTES

1 The first deposit payment of €3000 (Three Thousand Euros) must be completed before the documents are submitted to the Migration Authorities for evaluation. The copy of the Bank Transfer must be provided in an email to the Admissions Department.
2 For your documents to be submitted to the Migration Authorities, you must complete the payment of the Visa Application Fee of €210 (Two Hundred and Ten Euros), non-refundable.
3 All documents must first be sent via email to your Admissions Advisor in order to confirm that they are correct. Once you receive confirmation you can send the original documents via courier to the University.
4 Students must not travel to Cyprus until their visa is issued and sent to them by the University.

DOCUMENTS REQUIRED FOR YOUR VISA APPLICATION

UNDERGRADUATE APPLICANTS (BACHELOR'S DEGREES)

	DOCUMENTS	NOTES
01	Copy of Passport. *Validity minimum 2 years.	The copy that will be submitted to us needs to have the original stamps.
02	Copy of High School Leaving Certificate Copy of English Language Certificate	The copy that will be submitted to us needs to have the original stamps.
03	Original Police Certificate. *Validity 6 months.	In English or officially translated in English.
04	Original Medical Report. *Validity 4 months.	• HIV 1+2, • Syphilis • Hepatitis B and C • XRAY (tuberculosis)
05	Original Bank Letter. *Validity 6 months.	Include name of account holder, account number and balance. Minimum Closing balance needs to be at least €7,500.
06	Original Bank Statement. *Validity 1 month.	Should be for the same bank account as the bank letter. Minimum Closing balance €7,500.
07	Signed Declaration Letter, that the student waives any rights to apply for a political asylum (template will be provided by your Admissions Advisor)	To be signed and sent via email and also included in the documents to be sent to Cyprus.

POSTGRADUATE APPLICANTS (MASTER'S DEGREES)

All the above plus

02.1	Copy of Bachelor's Degree and Transcript	The copy that will be submitted to us needs to have the original stamps.

**The validity of a document is calculated based on the date that the application is fully submitted to the Migration Authorities for evaluation.*
***The attestation of the above documents is different for each country. You will be advised accordingly by your Admissions Advisor.*

GENERAL VISA GUIDELINES
All documents will be evaluated by the Migration Department and the Ministry of Education. The decision will be communicated directly to the University and the Ministry of Education, Sport & Youth of Cyprus.

WHEN TRAVELLING TO CYPRUS
Upon arrival at Larnaka airport, students will be required to present to the Immigration Authorities the following:
1. Original passport
2. Copy of the Entry Permit (student visa)
3. Offer Letter by the University
4. Receipt of Payment of the Deposit to the University
5. Cash money minimum €2,000
6. New Original Police Certificate

UPON ARRIVAL IN CYPRUS
The student visa, called entry permit, is valid for travelling to Cyprus and only for a limited number of days after arrival; therefore, it must be renewed immediately. Failure to do so, may result in cancellation of your student visa. More information can be acquired by contacting the Admissions Department at internationalvisascyprus@uclan.ac.uk

All students must open a Bank account with a local Bank and deposit a minimum of €1000. A UCLan Cyprus student registration letter, a Housing Contract (attested by Notary Public or the Community Council president), your passport and the original Police Clearance certificate, should be presented to the bank when opening a bank account. Do not forget to ask for a statement of the account once you have deposited €1000. All medical tests including the x-ray must be re-done once the student arrives in Cyprus.

APPLYING FOR THE TEMPORARY RESIDENCE PERMIT
For new students applying for the Temporary Residence Permit, the following documents must be submitted when visiting the Immigration Department:
1. Passport
2. Entry Permit
3. Medical Test
4. Medical Insurance
5. Housing Agreement
6. Bank Statement
7. University Confirmation letter

Students will receive further information and detailed guidance from the International Admissions Department during their first visit to our campus, including instructions on how to proceed with the application process for the Temporary Residence Permit.

VISA RENEWAL PROCESS FOR RETURNING STUDENTS (2ND YEAR ONWARDS)
For the renewal and application of the Temporary Residence Permit (Pink Slip), the following (approximate) charges are applicable and payable to other Organizations/Authorities (not to the University):
1. Pink slip application fee €55
2. Medical Insurance €150
3. Medical tests €60 (1st-Year Students only)

Total €265

MIGRATION REGULATIONS
According to the Cyprus authorities, students must attend their classes regularly. Students who do not register for an academic year will have to depart from Cyprus.

STUDENT ACCOMMODATION

THE STUDENT'S NEST

The Student's Nest was specifically built to complement UCLan Cyprus state-of-the-art Campus, aiming to meet the accommodation needs of the students of UCLan Cyprus.

The location is ideal, located within the University campus, with all the facilities and advantages offered to UCLan Cyprus students.

Student's Nest, with its 171 en-suite rooms, provides students with a modern, comfortable and safe environment for a pleasant student life. It is sprawled over an area of 5,500 square meters and consists of 5 blocks with a total of 49 flats.

FACILITIES
Wi-Fi in all areas
On-site coin operated launderette
24-hour closed circuit television (CCTV)
Personal Safety - 24 hours security service
Controlled electronic entrance for safety
Outdoor Pool
Games room / Club room / Lobby with a 60" LCD TV and satellite channels
Vending machines
Parking spaces
Bicycle parking spaces

Each Flat has a furnished shared living room with TV and a well-equipped kitchen with a cooker, fridge/freezer, microwave and adequate cupboard space, thereby avoiding additional costs and inconveniences.

COST OF LIVING
The cost of living in Cyprus varies according to students' lifestyle; however, it is estimated that the average amount required for food, transportation and personal expenses is €500 per month.

The Student's Nest Accommodation is managed by Mangaza Holdings Ltd company, who is the responsible legal entity for your financial and legal obligations and rights of the tenants and for building-related management matters.
